ABOUT US

Professional Makeup Training at its best...
Founded by **NAKEAH FULLER**, Beauty Expert/Master Educator/Makeup Artist to the Stars; a Texas native who has worked in the beauty, fashion and entertainment industry for almost 2 decades! As a highly experienced Professional Makeup Artist & Founder of **Nakeah's Academy of Makeup & All Things Beauty Blog**, with great passion Nakeah has worked in every area of beauty including makeup for film, television, runway, bridal, retail, direct sales, education, product development & more. She's worked for many household beauty brands in the past & currently an ambassador for the Susan G. Komen Foundation. She mentors women & artists around the world as many rave about her uniquely designed programs that have proven to bring the most beautiful results for women & artists around the world. Along with her bright vivacious personality, magnificent experience as a gifted beauty artist & extraordinary talent, with a special touch she's taken something great from her experience in beauty & created her very own organic beauty line of high quality, animal cruelty-free cosmetics & skin care known as... **Nakeah Cosmetics of Hollywood**; an Exclusive Luxury Brand. **Nakeah Fuller** believes that

everyone has a unique feature that makes them beautiful. While empowering men & women in the most beautiful way, she encourages healthy ingredients & proper training. Quality Makeup is a dynamic accessory used to enhance, not take away. While servicing her celebrity clientele, women, and men around the world, she began teaching professional makeup classes in 2003 around the globe and launched her very own academy in the City of Angels in 2005. She has trained thousands of students & Beauty Professionals & known for mentoring & teaching ladies & artists around the world quick & easy; yet very beautiful makeup techniques. She takes great pride in her amazing training & her advanced beauty business knowledge; including her exceptional men's grooming techniques. She's worked with many of the very best & has outstanding credentials in beauty. While empowering our students to obtain their goals, her trainees are also accomplishing great success in the world of beauty, fashion entertainment & lifestyle.
